

CITY OF WILLIAMSPORT

OFFICE OF THE MAYOR
DEREK J. SLAUGHTER

March 27, 2020
Williamsport, PA
For Immediate Release

Additional Proactive Measures

Williamsport, PA – Streets and parks employees removed the rims on basketball courts and taped off playground equipment in city parks. This is a temporary, proactive measure during the COVID-19 epidemic to help prevent the spread of the virus. The rims will be put back up and the tape removed once the emergency is declared over.
