Re: No Trespass Notice – All Williamsport Area School District Properties

Dear Mr. Stryker:

I am the solicitor for the Williamsport Area School District. On or about April 5, 2018, you sent an inappropriate and threatening message, by Facebook Messenger, to the head coach of the Williamsport Area High School Baseball team.

This is to advise that you are not permitted at the Williamsport Area High School or any other buildings or grounds owned by the Williamsport Area School District until further notice. If you need to personally speak with any school district personnel, you should make arrangements by telephone for an appointment. Your presence on any Williamsport Area School District property at any time without an appropriate appointment will be considered trespassing and appropriate action will be taken to remove and/or prosecute you.

Very truly yours,

Fred A. Holland
