Dear WASD President Lori Baer et al,

It is with great regret that I must inform you of my intention to resign from the WASD school board. Although I have enjoyed my time working with this board, it has become increasingly more difficult to maintain my full attention and commitment. I have been spending increasingly more time in Florida due to the declining health of my father. I am currently spending 5 days per week traveling to Florida to provide him with 24 hour care. I expect this to continue for the foreseeable future. During my time in Pennsylvania, I will also be staying outside of the district. I am grateful to the board and the district for allowing me the honor to serve on this board and look forward to continuing to watch the district continue to grow, albeit from the outside looking in.

Regards,

Marc Schefsky
